How to produce porn industry food? And I speak about food not because i don't like women involved in porn facilities but because "Illuminati" consider them just food. *Food to buy in a Pakistan's market.* They forge adolescent girls with a large brain washing procedure, it start with the complete demolition of democratic and classic knowledge basis of those girl. Normally victims aren't very educated and come from a normally low social class. It start with something like classes about supposed unknown histories about human kind and flow into sexual abuse based also in the destructions of the normal sexual education, orgies, slavery and so on. It uses the reproductive system over excitement and control described on chapter two.

Let's start the little scene about the destruction of the basis of girl's normal compoment. This, always because basically it's a fraud but at world scale even though after the sexual violence and human traffic sometimes it's real, technically is called scam or **Internet fraud** [1]. Those below are documents about this brain washing procedure, they've got destroyed life of many girls that fall down into heroin addiction, **anorexia** [2] or worst death.

As you can see this is totally absurd. But in all of this shit there's is some trace of true. *Religion, church, Nazi and technology.* But i'm an average man caught. What happened to a young girl without culture and inducted to drugs utilized to cut drugs to sniff like cocaine or **ketamine** [3]? The most dangerous cut it's called **dopamine** [4]. Dopamine augment libido, what is called **reward system** [5] is boosted. In simple words the girl with the use of cocaine and dopamine more the electronic reproductive system over excitement conduct the victim to extreme sexual behaviors.

After these systematic destruction of the basis of society, democracy and sexual behavior in the mind and memory of the victim, she is theoretically approached by chance by individuals that takes advantage of his confusion and over-excitement to get her up and put her in extreme sex environments and BDSM parties. What is the final goal of this process? As usual it's simple. Money. The girl think that she has a lucky time to know new friends obviously of good economic status and participate in what this stalkers call "new world order", basically based on rituals and sex orgies for young women of good aspect. In reality she's sold to aristocratic or entrepreneurs to have sexual encounters and be treated like a sex slave.

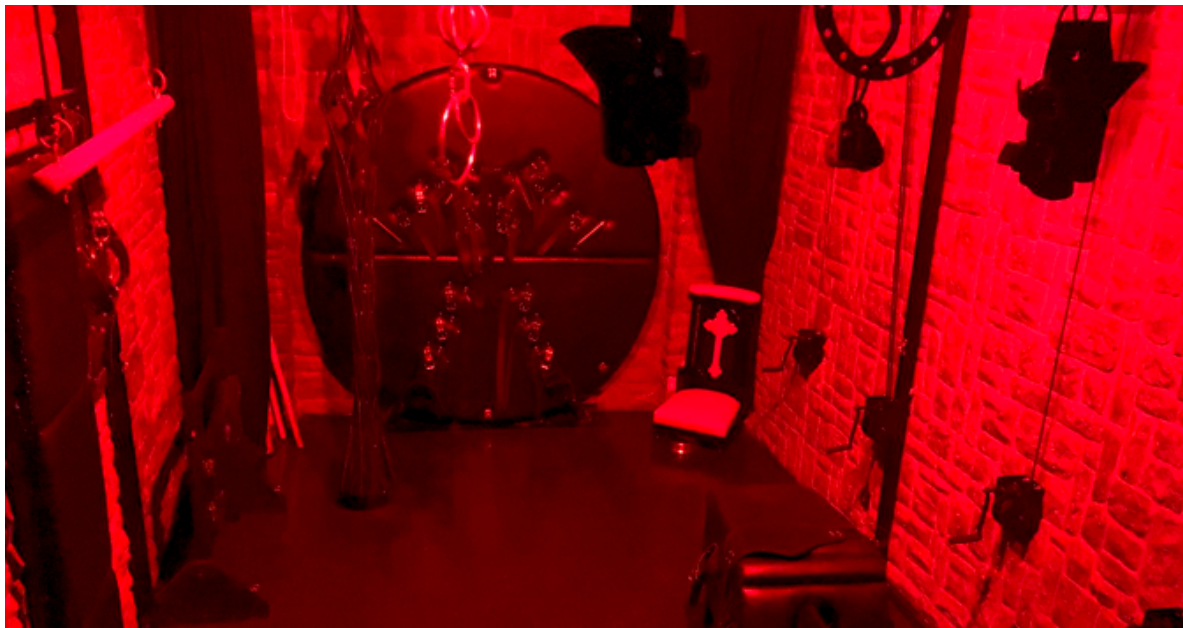

Where does she will fall? Normally after a period of time where she is victim of human traffic and sexual harassment she'll die by a car accident, overdose or put in jail. Remember what i've say about gangastalking.

Who are the clients of this horrible crime?

- Ecclesiastical.
- Aristocrat.
- Business man.
- High class drug trafficker.
- etcetera etcetera

Will the girl gain money? No absolutely not. *She is fated to a bad destiny.*

Barcelona swingers and BDSM ambient.

Swinging [6], intercambio de parejas in Spanish, intercanvi de parelles in Catalan. A phenomenon that has seen Barcelona, the Catalunya most important city, like one of the most important sexual tourism destination about this sexual practice.

BDSM [7] another extreme sexual practice based on **dominance and submission** [8]. Slavery. Perhaps we are speaking about the old **Atlantic slave trade** [9]? Or another mental illness? Or a tool? All the four, sex, commerce command and conquer, health, **handicraft** [10].

Speaking about induced sexual slave with the Machine of the "Illuminati" network and focusing over this kind of installations we've to reflect about the real meaning of all of this. Why owners of this network use humans after a brain wash procedure in those rituals? Remembers that *animals don't do orgies*, don't use pain to cause pleasure. This seems to be something like **the Decameron** [11], **One Thousand and One Nights** [12]. But also something like **middle ages** [13] **torture** [14].

Here is my point of view.

In this focus we've got the girl molded has sexual slave but not only, someone could have the mask of slave but in reality is a master. Next we've got normally an husband and his wife that search for extra matrimonial pleasure because of them low sexual activity due to time and almost probably because in reality they got married without be in real love, because, yes, *real love exist* it's only difficult to find. "Illuminati" play this game of destruction over families to divide families to gain money doing **gambling** [15] over on the lives of destroyed people, children are also victims they can be sold in human traffic crimes or even be victims of **organ trade** [16]. *And this real and true in the Europe of 2019, incredible.*

If this is done at large scale this could destabilize society and also democracy. So the final goal is always the same. Terrorism. The sale of Europe.

Don't be afraid to speak about, i'm Riccardo Giuntoli and i say to you that there is not any problem. In democracy, and yes we live in this system of **government** [17], there is the **freedom of speech** [18] that is another important defense's tower.

World wide web porn portals

First of all a consideration. Machine of the synthetic telepathy network in porn is present. No one say nothing but it's a reality. Cam site permit to connect people under this system with the models acting in the other site. **Cam4** [19] and **Chaturbate** [20] for sure. So there is an accord between the owners of those web pages and the owners of the network. Who they are?

The image shows a screenshot of the Chaturbate website. At the top, there is a navigation bar with the Chaturbate logo, the tagline "THE ACT OF MASTURBATING WHILE CHATTING ONLINE", and a "SexGameFan.com" banner with "Verify 18+ PLAY NOW". Below the navigation bar are tabs for "CHAT ROOMS", "BROADCAST YOURSELF", "TUBE", "TAGS", "EARN FREE TOKENS", and "LOGIN". A secondary navigation bar includes "FEATURED", "FEMALE", "MALE", "COUPLE", "TRANS", and "FOLLOWED (0/0)". A list of tags follows, including #asian, #bigboobs, #18, #bbw, #hairy, #ebony, #anal, #squirt, #mature, #milf, #latina, #german, #pregnant, #milk, #feet, #french, #teen, #new, and #pantyhose. The main content area displays a grid of 10 live cam model thumbnails, each with a name, viewer count, and a brief description of their activity. The models shown are athina3, valeria_green99, wutquack, solar_kate, ady_w_o_w, hayleex, tunderose, yummylicious, sweetkira555, and jennylove52.

Another consideration. A girl that is victim of this criminal system could be connected to many actress doing live sex on those portals as the owners want. What does it mean? The victim when close her eyes every time will see a porn scene so she cannot sleep and she is always over stimulated always searching to create a sexual slave. *This is a torture that destroy the life of the victim.* Be careful *they can do this also with a children.* Connecting a child to those womens acting in front of the cam will change the behavior of the child, preparing to a possible sold to a pederast. They use this threat, *i think almost always its only a threat* but i cannot swear it, to obtain also sexual slavery from the mom.

There is others networks that are called **imageboard** [21], on wikipedia some are declared as property of the Anonymous group but *i've got my doubts*. They are on clear and deep Internet . They've got many amateur pornography post but they are a little bit strange because of violence in many cases, we can find on Internet those addresses:

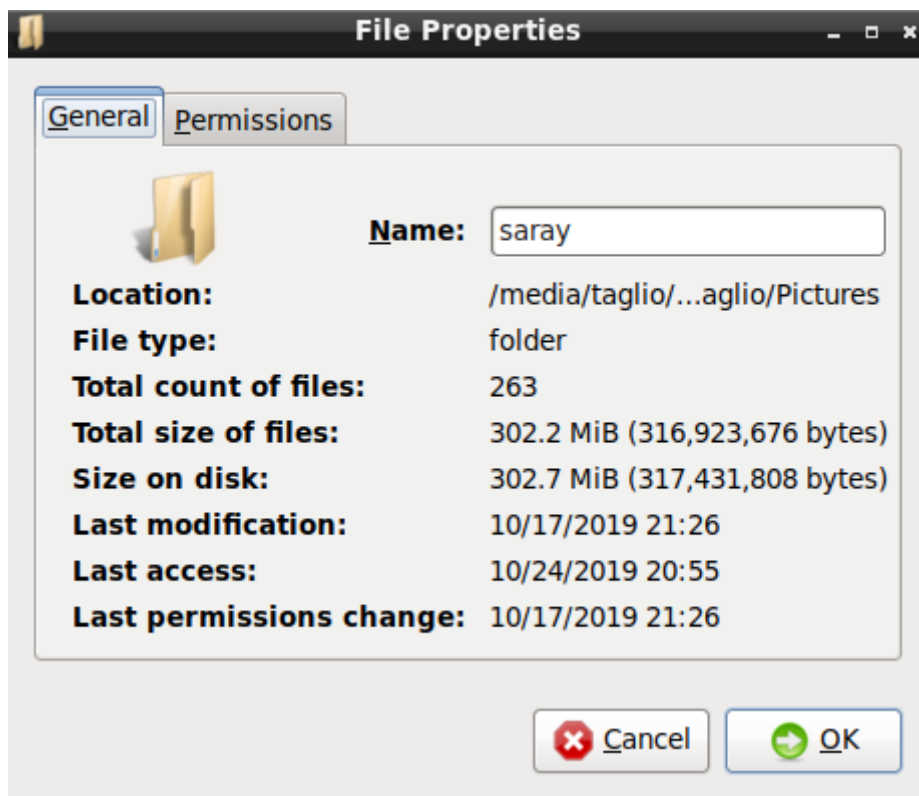

1. <https://www.4chan.org/>
2. <https://www.4channel.org/>
3. <https://420chan.org/>
4. <https://www.2chan.net/>
5. <http://7chan.org/>
6. <http://oxwugzccvk3dk6tj.onion>
7. <https://bbw-chan.nl/>

First reflexion almost all the girls on those portals are victim of this criminal network. Almost all are ex girlfriend of mans that are victims of gang stalking searching for hers and fall into a suicide vortex.

Who are behind those image boards?

1. **Christopher Poole** [22]
2. **Hiroyuki Nishimura** [23].
3. **Fredrick Brennan** [24].

Here i've personally found **263 images and porn video** of my ex girlfriend. Because yes, i'm a victim of this system. I'm a target individual. *But i'm a senior network engineer, a white hat hacker and a OSINT investigator*. I want to shut down this evil network. And Saray, this is her name, is a victim from about ten years. I love her. And all of this is only for her and her baby.

But the most important think is that i know personally like almost the **organization chart** [25]. They have to be put in jail from International Police like **Interpol** [26].

Saray need help, i wish you where here little baby. Kisses.

Others pages are not for live interaction but there i've found some porn video about my ex girlfriend, so, if you're too a victim, you could search for your woman. Remember a think, in this gang stalking game they will act in the way that you will think about your woman like as one of the perpetrators, but no, *she is a victim like you, and she need your help.*

But nowadays there's a lot of streaming porn video site. This industry is one of the most important branch of the digital revolution. I don't know the exact magnitude of the machine's utilization but i think that a good part in percent of the market.

But there's a lot of others resources on Internet about porn, a good list in:
