(U//FOUO) GHOSTHUNTER Goes Global

FROM: [REDACTED]
Menwith Hill Station (F77)
Run Date: 01/14/2008

(S//SI//REL) GHOSTHUNTER is an effort to geolocate terminals used by high value targets in Iraq and neighboring countries in the Middle East. Read more about it in the hyperlinked article from Menwith Hill Station's *Horizon* newsletter:
