

Veilid Framework Press Kit

TZAG, members of the press. Thank you for taking the time to look into our project. Here's a fact sheet for reference.

Who

The development and maintenance of Veilid Framework is lead by members of the Veilid Foundation: Christien Rioux, Katelyn Bowden, and Paul Miller.

Rioux and Bowden are members of the CULT OF THE DEAD COW, along with other of contributors.

A list of contributors can be found on our "About Us" page at <https://veilid.com/about-us/>

What

Veilid is an open-source, peer-to-peer, mobile-first, networked application framework.

Privacy and security are critical to empowering the defense of human and civil rights.

Logos

Please download the images and do not hot link them. Thank you.

Project Logo

The letter V with one side that looks like a physical key.
